

REMARKS/ARGUMENTS

Claims 1-11, 20-30, 39-49, and 58-81 are pending in this application. Claims 1-11, 20-30, and 39-49 were withdrawn without prejudice. Claims 12-19, 31-38, and 50-57 were canceled without prejudice in any manner. New claims 58-81 were added to more distinctly claim the invention. Support for the new claims can be found in the specification. No new matter has been added.

Claims

Claims 12-19, 31-38, and 50-57 were rejected under 35 U.S.C. § 112, first paragraph, as allegedly failing to comply with the enablement requirement. Claims 14-19, 33-38, and 52-57 were rejected under 35 U.S.C. § 112, second paragraph, as being allegedly indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In order to expedite prosecution of the above identified application, Applicants have canceled claims 12-19, 31-38, and 50-57 without prejudice in any manner.

Additionally, Applicants have added new claims 58-81 to better claim the invention. These claims comply with at least the requirements of 35 U.S.C. § 112, first paragraph and second paragraph, and are in condition for allowance.

Specification

The specification was objected to for containing certain embedded hyperlinks that would result in browser-executable code. According to the Examiner's suggestion, Applicants have amended the specification to overcome the objections.

Drawings

Figure 6 was amended to correct minor errors in certain numerals. The support for these corrections can be found on page 12 of the specification.

Appl. No. 09/683,264
Amdt. dated April 29, 2004
Reply to Office Action of December 30, 2003

PATENT

CONCLUSION

In view of the foregoing, Applicants believe all claims now pending in this Application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 650-326-2400.

Respectfully submitted,

Daniel Mao
